Right at the centre of things!

Stay with us in our modern, fully equipped and furnished apartments on Swansea Marina. The Maritime Quarter is between our bustling city centre and the sands of Swansea Bay, just minutes away from the Gower's staggering 70 beaches, coves and bays. It really is the perfect location for enjoying, discovering and relaxing the year round!

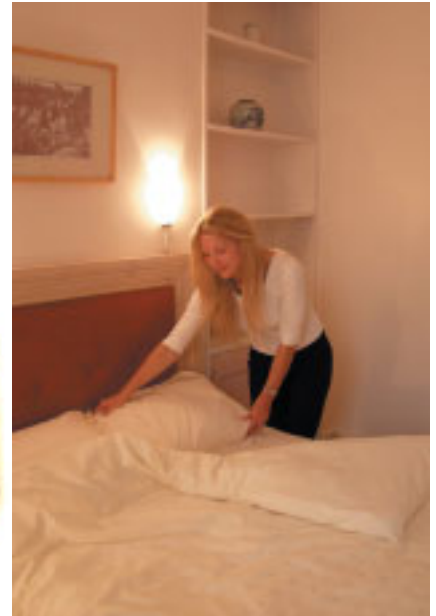

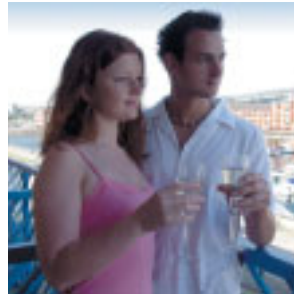

Whether you are visiting for your main holiday, long weekend, short break or you're in the Swansea area for business, we have the most flexible of inclusive rental periods. Choose from two night weekend breaks, three/four night stays, standard seven night rentals from Saturday afternoons and more. Other periods are available, subject to availability, and we also offer three months, six months and longer short-hold rental tenancies on an exclusive basis.

Above all we offer choice! Studios, one and two bedroom apartments, sleeping one to six persons, are available in three accommodation grades; Standard, Extra and Executive. All our properties are individually owned and as a result each property is equipped and decorated in it's own unique style with a character all of it's own.

As members of Swansea Bay Tourism Association, all our apartments are graded for quality and comply with the Wales Tourist Board's annual grading scheme.

All apartments are complete and ready to go. Furnishings, TV, kitchenware, full bedding and linen, all utilities, complimentary beverages, toiletries and taxes are included. Extra and Executive apartments have a higher degree of appliances, furnishings and décor. We also supply an individual property brochure with an inventory of contents so you'll know exactly what to expect.

Swansea is Wales' youngest city and it shows!

Friendly and fun! For the young and young at heart there's just so much to see and do. Whether it's wandering through the mouth-watering produce market featuring local specialities, city centre stores or mall shopping, you're in for an experience you'll never forget. Swansea is at the centre of South West Wales and makes a great base for discovering our Celtic heartland. For something livelier just step out in the evening and there's entertainment for all tastes: multiplex cinemas, bowling, theatre, concerts, arts events and night clubs.

Not forgetting Swansea's famous Café Quarter on Wind Street with an eclectic collection of wine bars, theme pubs and restaurants with it's own unforgettable street party atmosphere.

Waterside lifestyle in the city centre

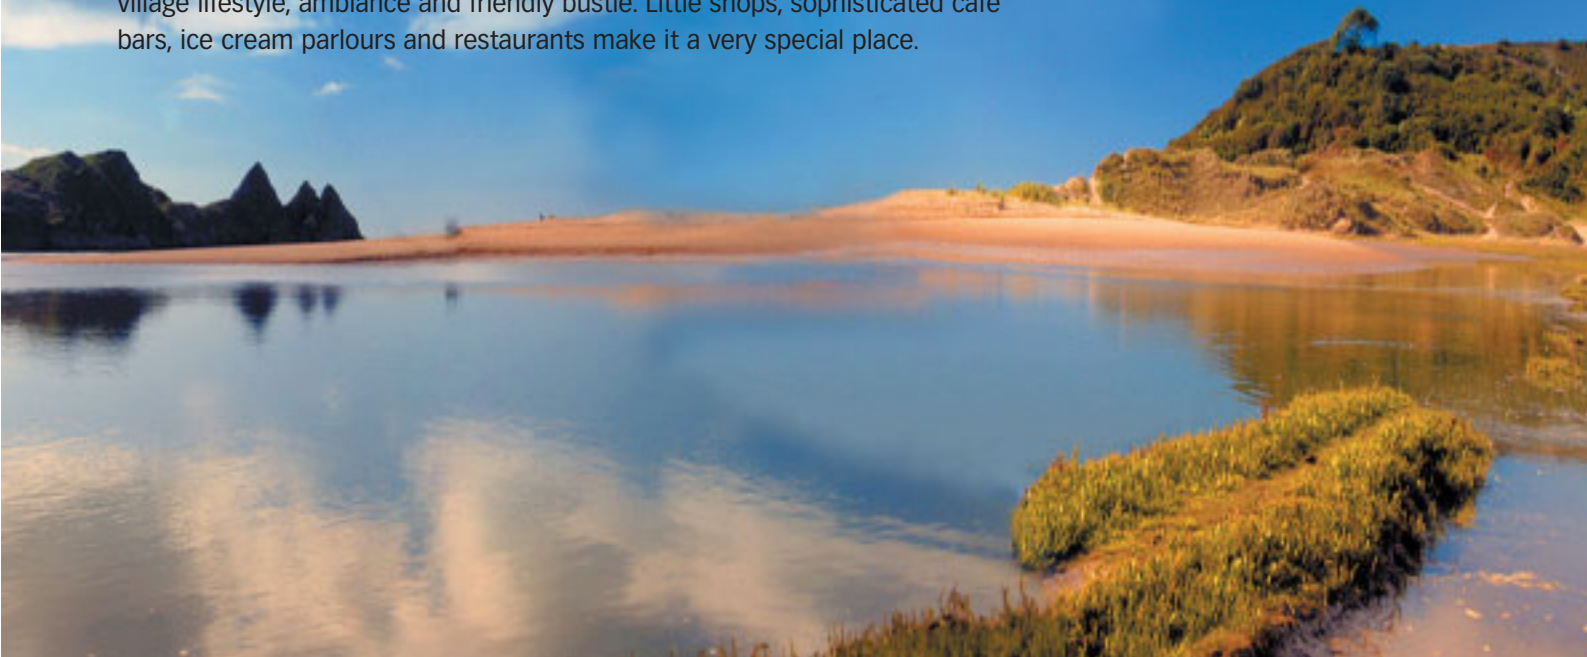

Nothing else compares with our location. A host of galleries, the ultra modern Wales National Museum, waterside dining, bars, theatre, outdoor pursuits, sports and big name supermarkets are all at your disposal and set around the sweep of the magnificent Swansea Bay.

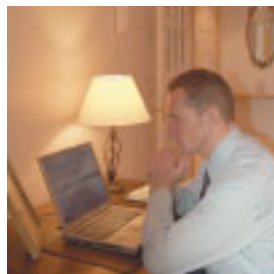

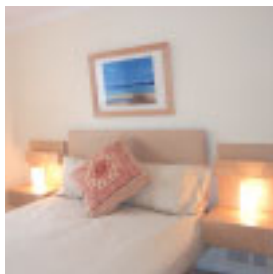

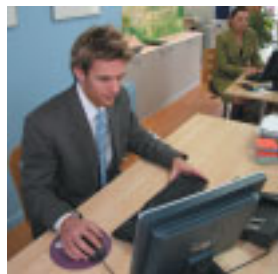

Gower, welcome the world back into your life!

Just nineteen miles long, the peninsula is an unbelievable mix of sandy beaches, craggy coves, dramatic limestone cliffs and wild moor land, estuary, marshlands, woods and meadows. Much of the countryside is protected as National Trust and nature reserve and still remains working farmland. Scattered throughout the landscape are small villages and communities, the largest being Mumbles, which is a short journey round the bay from Swansea with colourful cottages, a seaside village lifestyle, ambiance and friendly bustle. Little shops, sophisticated café bars, ice cream parlours and restaurants make it a very special place.
